

Dear Martin,

Lisbon, 28th July 2021

Dear VKRS/ARCA colleagues,

It is with heavy hearts and profound bewilderment we have received such sad and unexpected news.

We can not forget the most amicable days we have spent in Bolzano back in 2014. Verena and yourselves welcomed us with open hearts and bright smiles to one of the most beautiful venues to our General Assemblies.

Most surely remains in our hearts the most memorable lunch at Verena's home, where the whole E.C.C.O. Committee were welcomed as relatives coming from all corners of Europe. We couldn't be more grateful to Verena's kindness, elegance and cherishing spirit and can not express enough how sorrow we feel with such news.

Do share our condolences with her close ones, and wish you all the strength to overcome these mourning times.

On behalf of E.C.C.O.'s Committee,
our warmest hug

Elis Marçal

President of E.C.C.O.
